## 1 Identification of the substance and manufacturer

| Trade name:  | SATIN WHITE  |                        |
|--|--|------------------------|
| Product code:<br>Recommended use:<br>Uses advised against:<br>Manufacturer/Supplier:<br>Emergency telephone number:  | SATINWHITE0000980013Paint and coatings application.Any that differs from the recommended use.Seymour of Sycamore917 Crosby AvenueSycamore, IL 60178 USAphone: 815-895-9101www.seymourpaint.com1-800-255-3924   |                        |
|  |  |                        |
| 2 Hazard(s) identification   |  |                        |
| Classification of the substance or m<br>Flammable Aerosols 1<br>Gases under Pressure - Liquefied gas<br>Eye Irritation 2A<br>Carcinogenicity 2<br>Toxic to Reproduction 1B<br>Specific Target Organ Toxicity - Single<br>Specific Target Organ Toxicity - Repea<br>Additional information: | H222 Extremely flammable aerosol.<br>H280 Contains gas under pressure; may explor<br>H319 Causes serious eye irritation.<br>H351 Suspected of causing cancer. Route of ex<br>H360 May damage fertility or the unborn child.  | cposure: Inhalation.   |
| GHS Hazard pictograms  | $\land \land \land \land$  |                        |
| Signal word  | GHS02 GHS04 GHS07 GHS08<br>Danger  |                        |
| Hazard statements  | Extremely flammable aerosol.<br>Contains gas under pressure; may explode if heated.<br>Causes serious eye irritation.<br>Suspected of causing cancer. Route of exposure: Inhalation.<br>May damage fertility or the unborn child.<br>May cause drowsiness or dizziness.  | xdosure.               |
| Precautionary statements   | May cause damage to organs through prolonged or repeated exposure.<br>Obtain special instructions before use.<br>Keep away from heat/sparks/open flames/hot surfaces No smoking.<br>Do not spray on an open flame or other ignition source.<br>Pressurized container: Do not pierce or burn, even after use.<br>Do not breathe dust/fume/gas/mist/vapors/spray.<br>Wash thoroughly after handling.<br>Use only outdoors or in a well-ventilated area.<br>Wear protective gloves/protective clothing/eye protection/face protection.<br>IF INHALED: Remove person to fresh air and keep comfortable for breathing.<br>If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and<br>easy to do. Continue rinsing.<br>Call a poison center/doctor if you feel unwell.<br>If eye irritation persists: Get medical advice/attention.<br>Store in a well-ventilated place.<br>Store locked up.<br>Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F.<br>Dispose of contents/container in accordance with local/regional/national/international regulations. |                        |
| 3 Composition/information on ingredients   |  |                        |
| Chemical characterization: Mixtures<br>Chemical Description:   |  | onhazardous additions. |

| Chemical D | escription:       | This product is a mixture of the substances listed below with nonnazardous additions. |        |
|------------|-------------------|---|--------|
| Dangerous  | components:       |   |        |
| 67-64-1    | Acetone           |   | 25-50% |
| 74-98-6    | propane           |   | 15-25% |
| 64742-89-8 | VM&P Naphtha      |   | 10-15% |
| 106-97-8   | n-butane          |   | 10-15% |
| 64742-47-8 | Mineral Spirits   |   | 5-10%  |
| 13463-67-7 | titanium dioxide  |   | 5-10%  |
| 1317-65-3  | Calcium Carbonate |   | 1-5%   |
| 108-88-3   | Toluene           |   | 1-5%   |
| 67-63-0    | Isopropyl Alcohol |   | 1-5%   |
|            |                   |   | •      |

- **4 First-aid measures** 
  - After inhalation: After skin contact: After eye contact:

Supply fresh air; consult doctor in case of complaints. Remove contaminated clothing. Wash exposed area with soap and water. Rinse opened eye for several minutes under running water. If symptoms persist, consult a doctor. (Contd. on page 2)

Safety Data Sheet

Printing date 01/17/2024

Revised On 01/17/2024

| Trade name: SATIN WHITE   |   |  |  |
|---|---|--|--|
|   |   |  |  |
| After swallowing:   | (Contd. of page 1)<br>Rinse out mouth and then drink plenty of water.<br>Rinse mouth with water. Do not induce vomiting.                                  |  |  |
| Most important symptoms and<br>effects:                                       | Dizziness   |  |  |
| Indication of any immediate medical attention needed:                         |   |  |  |
|   |   |  |  |
| 5 Fire-fighting measures  |   |  |  |
| Extinguishing agents:<br>Special hazards:                                     | CO2, extinguishing powder or water spray. Fight larger fires with water spray.<br>Can form explosive gas-air mixtures.                                    |  |  |
| Protective equipment for<br>firefighters:                                     | A respiratory protective device may be necessary.   |  |  |
| 6 Accidental release measures   |   |  |  |
| Personal precautions, protective  |   |  |  |
| equipment and emergency   |   |  |  |
| procedures:<br>Methods and material for                                       | Wear protective equipment. Keep unprotected persons away.<br>Use respiratory protective device against the effects of fumes/dust/aerosol.                 |  |  |
| containment and cleaning up:  | Ensure adequate ventilation.<br>Dispose contaminated material as waste according to section 13.   |  |  |
|   |   |  |  |
| 7 Handling and storage  |   |  |  |
| Precautions for safe handling<br>Storage requirements:                        | Use only in well ventilated areas.<br>Keep away from sources of heat and direct sunlight. Do not warehouse in subfreezing conditions.<br>Store locked up. |  |  |
